

GOLDEN JUBILEE CELEBRATIONS

THE GRAND FINALE

Concluding function of OMC's Golden Jubilee: Guests on the dais.

OMC's Founder MD Sri K. S. Ramchandran, reflecting the good old days of OMC in 1956.

Jayadev Mishra (Mgr, Barbil) receiving Best Prospecting Award from Chief Guest

G. Sahoo (Sr. Mgr, S. Kaliapani) receiving a memento from S. P. Behera, Minister S & M

The concluding function of the Golden Jubilee was celebrated with pomp and show at Rabindra Mandap on 15th May'06. The Minister (Steel & Mines), Sri Padmanabha Behera was the Chief Guest on the occasion. Sri Bhaskar Chatterjee, Chairman and Sri Sanjeev Chopra, Managing Director, were the Guests of Honour. The Founder Managing Director of OMC, Sri K.S. Ramchandran was felicitated on the occasion. He attended the function also as a Guest of Honour. The President of OMC Cultural Association, Sri J.B. Das presided over.

While congratulating OMC for completing 50 years in mining sector, the Chief Guest Sri Behera appreciated the efforts of the Corporation in fortifying itself as a mining major to withstand the litany of challenges both from "within" and "without".

Khandadhar Iron Ore Mine was adjudged the Best Mine for the year 2005-06 & a cash award of Rs. 10,000/- with a Running Shield was given to Sri Gangadhar Nayak, the Mines Manager. Similarly, Barbil Prospecting Division was adjudged the Best Prospecting Division & Sri Jayadev Mishra, Manager(Geo) was awarded a Running Shield & cash award of Rs. 5,000/- . Mementos were also given to Sri N. K. Sahoo, Regional Manager, Daitari, Sri S. N. Patra, Manager, Gandhamardan & Sri Gobinda Behera, Sr. Manager(Mining), South Kaliapani in recognition of achieving the Production target in their respective Mines for the year 2005-06. Trophies were also presented by the Chief Guest & Guests of Honours to the Winners in the different sporting events organized for the children of OMC employees.

The function concluded with an enthralling cultural extravaganza of classical Oriya songs by Sri Laxmikant Palit and his troupe.

Guests on the dais during the Foundation Day function organised under the aegis of OMC Cultural Association

Sri Chatterjee, Chairman, OMC unfolded his dream of making the Corporation globally competitive and egged upon all employees to gear up towards that end. Managing Director, Sri Chopra underscored the strengths of the Corporation and applauded the inherent capabilities of OMC employees who have the resilience to carry the Corporation forward.

The function was followed by an enthralling drama **ETTHI, SETTHI, SABUTTHI**, directed by Sri Direndra Nath Mallick.

N Veera (Retd. GM Mining), K.P Mohapatra (Retd. DGM Civil) & other retired employees during the concluding function of OMC's Golden Jubilee Celebration on 15th May

Sitting from right : K. C. Sahu, GM (P&A); N. C. Sahoo, DGM(M); S. K. Mishra, DGM(F&E); P. S. Kanungo, Sr. Mgr(LW); K. Ray, Mgr(Geo) applauding the performance of OMC artistes in the Drama **Etthi Setthi Sabutthi**.

Scenes from the Drama which captivated the audience till the last

MESSAGE OF CHAIRMAN...

I am happy to learn that during the 1st quarter of 2006-07, the employees and workers have been able to sustain the tempo of the previous year.

Today, the Corporate Office at Bhubaneswar sports a new look which reflects the new spirit of the Corporation. The modernization drive which has been initiated to put in place the latest state-of-the art facilities in the working environment will surely enhance the operational efficiency of every employee and worker.

The name OMC is built around two syllables- "OM" & "C". The word "OM" has many significant connotations. To me, "OM" represents an 'Open Mind' & "C"

symbolizes 'Corporates'. With a world class working environment, we need to adopt a Corporate mind set always keeping our intellects open and receptive.

I am sure, with our new attitude, we will be able to face the litany of challenges and continue our good work in the years to come.

Jai Hind,

(Bhaskar Chatterjee)

STEEL & MINES DEPARTMENT GETS A NEW SECRETARY

Sri Laxmi Narayan Gupta, working as Chairman-cum-Managing Director, IDCO has joined as the new Commissioner-cum-Secretary, Steel &

Mines Department on 03.06.06. He succeeds Shri Bhaskar Chatterjee who got transferred to School & Mass Education, Government of Orissa as Principal Secretary. A Post Graduate in Economics with an MBA from University of Birmingham, UK, Shri Gupta belongs to the 1986 batch of IAS.

He has served the Government of Orissa in different capacities such as Collector, Angul; Vice Chairman, BDA; RDC, Central Division, Cuttack; MD, OTM besides the Department of Personnel and Training in Government of India.

Shri Gupta was instrumental in turning around the fortunes of OTM during his incumbency and IDCO witnessed sky rocketing fortunes under his stewardship as Chairman-cum-MD.

PROJECT SPANDAN

(SAP R/3 IMPLEMENTATION)

Kick Off of Phase IV SAP Implementation

Kick Off of Phase IV SAP Implementation programme which was held on 10th April'06 at Head Office, Bhubaneswar envisages implementation of Personnel Development (PD), Employee/Manager Self Service (ESS/MSS), Work Flow & Up-gradation to my-SAP ERP environment. The implementation is under progress with Tata Consultancy Services as the implementing partner. The Project is scheduled for completion by Sept, 2006 and now the Business Blue Print is being given final touches. Matters relating to development of skill of employees and access to personal data maintenance in case of Executives through ESS/MSS shall be available through on line SAP System.

Go Live of SAP R/3 HR Pay-Roll Under Phase III Implementation.

As a part of Phase III SAP Implementation programme, "Go-Live" of SAP HR Pay-roll implementation was held on 27th April'06 at Head Office, Bhubaneswar. The pay roll of all the employees of OMC whether Regular, NPE, Adhoc, Ex-lessee, Contractual or Deputation and the wage bill of PR Miners and DRMP employees for the month of April'06 (in case of HO) & for the month of May'06 (in case of HO, all Regional Offices and Mines) were processed in the SAP Pay-Roll system. It will facilitate access of all employee pay roll related information at any given time.

OMC Participates in "SAP Summit 2006" at Mumbai.

A delegation consisting of the following Key Users attended the SAP Summit'06 at Mumbai from 14 – 16th June'06.

Mrs. N. Das, Manager (Geo)/PP Key User; Sri R. Mahalik, Manager (S&M)/SD Key User; Sri S K M Bara, Dy. Manager(A/c)/FI Key User; Sri D C Behera, Dy. Manager(Store)/MM Key User; Sri M M Mishra, Sr. Accountant /System Administrator; Sri P K Bose, Sr. Manager(Geo)/Project Manager (ERP)

Different new products launched by SAP and the experiences of different Industries were deliberated in the Summit.

A LITERARY GENIUS

Sri Prasanna Kumar Mohanty, Manager (Mining), Sukurangi is a literary genius. He has to his credit publication of several books on Oriya Literature. His book "Tathaapi Kshyubdha" (an anthology of Oriya Poems) has received rave reviews in literary circles and has earned Sri Mohanty "SAHITYA JYOTI" award. Sri Manmohan Samal, Hon'ble Minister, Revenue, felicitated Sri Mohanty with the coveted award on the occasion of the Annual Function of CHINHAA MUHAN.

OMC GETS A NEW ESTATE OFFICER

Sri Abanikanta Pattanaik has joined as Estate Officer on 22nd May '06 in OMC. A Post Graduate in Zoology from Utkal University, Sri Pattanaik belongs to the 1989 batch of OAS. Sri Pattanaik was earlier working as Revenue Officer in the Ganjam Collectorate at Chhatrapur. His rich and varied experience in revenue administration in Digapahandi, Soro & Banpur Tahasils will certainly help him to discharge the duties of Estate Officer at a time when many of OMC leaseholds are under perennial threat of encroachments.

INNOVATIVE CIVIL ENGINEERS OF DAITARI

The Civil Engineering Team of Daitari have set an example of innovative planning and skilful execution. The Daitari Dam Reservoir was constructed with a storage capacity of 75 million cft for water supply to the Plant and OMC colony during 1964-65. During the last five years, there was acute shortage of water during summer months due to seepage of water. Extensive consultations with the expert Irrigation Engineers to resolve the problem yielded no result in the absence of detailed drawing, design & geological data of the Dam.

During March, 2006, the Civil Engineers of Daitari plugged the holes in the dam reservoir with Jute, gunny bags, clay and sand bags at a depth of 10ft height from crest level in the up stream side of the spillage. Magically, the result was achieved and the water seepage was checked.

During the recent summer months of April – June, 2006, there was adequate water for Plant and Colony use. The perennial problem could be sorted out with only a paltry amount of forty thousand rupees. It is certainly a work of *ordinary people with extra-ordinary attitude* which has helped solve matters.

OMC FORAYS INTO POWER SECTOR

The Corporation celebrating its Golden Jubilee has found it prudent to broad band itself to remain ahead in business. It has

decided to take up thermal power generation in a joint venture agreement with Orissa Hydro Power Corporation.

The 4000 crore rupees Joint Venture Project (Orissa Thermal Power Corporation) is expected to generate 1,000 MW electricity which will certainly add substantially to the State's Power Grid besides augmenting the Corporation's fortunes.

GEO-INFORMATICS TRAINING

Sri K. R. Ray, Manager (Geology) in charge of the Geo-Informatics Laboratory of the Geology Division, Head Office had been deputed to the National Remote Sensing Agency, Hyderabad, under the Ministry of Space, Government of India; for a training on "Geographic Information System and its application" from 3rd – 28th April '06.

Geographic Information System, a software tool for spatial data management and visualization has become highly useful in the fields of mineral exploration, mining fleet management, disaster management, supply chain management, telecommunication etc. OMC looks ahead to implementing GIS in mining and mineral exploration in future.

CANTEEN BUILDING RENOVATED

There was a long felt need of a modern canteen in the HO premises at Bhubaneswar. The long cherished dream was fulfilled on 26th June '06 with the inauguration of the canteen by the Chairman, OMC Sri Bhaskar Chatterjee in the presence of Sri Sanjeev Chopra, M.D.; K. C. Sahu, G.M.(P&A); M Ahmed, GM(Fin); J Mishra, DGM(S&M); L.D Behera, Sr. Mgr(Civil); P.S.Kanungo, Sr.Manager(LW); A L Choudhury, Mgr(LW) and other officials.

Training for Cooks & Canteen Staff

Training Programmes for the Guest House & Canteen Staff of OMC were conducted by the Institute of Hotel Management Catering Technology & Applied Nutrition in their Campus at VSS Nagar, Bhubaneswar, in three batches from 19th-14th June. Sixty five employees attended the training.

FROM THE CHIEF EDITOR'S DESK . . .

The fifty year march of the Corporation has not been without its twists and turns. Nonetheless, the Corporation has been able to withstand all of them and has created a niche for itself in the country at large. Be it consistent export performance or initiatives for e-governance, OMC has left an indelible impression, thanks to its dedicated human resources and resilient functioning.

As we celebrate our golden jubilee, corporate social responsibility has taken centre stage. Our peripheral development society, OMC-MAITREE has in the meantime had the first meeting of its Board of Trustees. It has roped in CENDERET (Centre for Development of Research & Training) for assisting it in the implementation of various development projects. CENDERET is the rural development wing of XIM-B (Xavier Institute of Management, Bhubaneswar) having proficiency and professional expertise in the relevant field.

The Central Committee of Ministry of Finance, Govt. of India is in the process of approving the project proposals of OMC which we intend to take up soon after the rainy season. Implementation of development projects will not only help in ameliorating the living standards of the people living in the periphery of the mines but also entail tax concession for the Corporation under the I.T. Act.

In the next few months I expect OMC-MAITREE to make visible efforts in the socio-economic development of the state. I hope, all of you contribute your mite for making OMC-MAITREE a real people friendly organisation working for community development at large.

The production of iron ore during April – June'06 stands approximately at 11.00 lakh tonnes vis-à-vis 7.65 lakh tonnes during the corresponding period of last year. Production of chrome ore is also on track. Appreciable work has been done by the Corporation in supply of chrome ore to the user industries in the first quarter. Against a sale of 21,227 MT during the 1st quarter of 2005-06, we have been able to sell 69,150 MT during the corresponding period this year. This augurs well not only for the Corporation but also for the mineral based industries of the State. We are all trying our best to come close to Rs. 1000 crores of turnover this year which will be an all time record.

Sanjeev Chopra

DAITARI HOSPITAL RENOVATED

The 16 bedded hospital fortified with Labour Room, Pathological Test Room, O.T. Room, built at a cost of Rs.42 lakhs was dedicated to the Corporation employees by the Managing Director, Sri Sanjeev Chopra, who inaugurated it on 5th June, 2006.

The hospital fulfils the long standing demand of the employee for a modern hospital in the Corporation's flagship project.

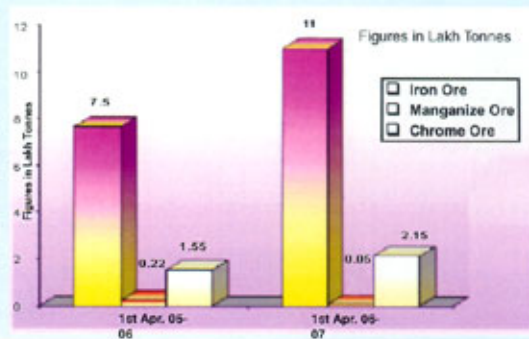

OUR YOUNG ACHIEVER

Ms. Pratikshya Mohanty, daughter of Sri Dilip Kumar Mohanty, Asst. Manager (Acct), HO, is a budding talent. A student of Class-VIII in Vikas Residential School, Bargarh, she has proven her academic excellence with a 93.9% score in class VII annual Exam. Her consistent performance is sure to inspire and propel her for greater successes in the days to come.

OMC Parivaar wishes her to accomplish greater heights of success and fulfil her dream to be a doctor in future.

Q1 PRODUCTION OF DIFFERENT ORES 05-06 vis-a-vis 06-07

OMC SALUTES CREATIVITY

Sri Apurv Mishra, a XIIth standard student of DAV School, Unit-VIII, Bhubaneswar received an international award for his project "Galbenetor" a communication device to enable the paralysed and physically challenged persons to operate computer. His Project had been adjudged World's 3rd best in the Engineering Category in the International Fair. It has also been considered as an outstanding project at the National Level CBSE Science Exhibition held at New Delhi. A Cash Award of Rs. 1.00 lakh given by OMC was presented by the Hon'ble Chief Minister to Sri Mishra for further development of his project.

CORPORATE SOCIAL RESPONSIBILITY

As a gesture of good-will, OMC has made various generous contributions.

State Culture Corpus Fund : For preservation and promotion of rich cultural heritage, the State Govt. have launched a State Corpus Scheme for generating a Corpus Fund. OMC has contributed Rs. 1.00 Crore to the said Fund.

Sainik School : OMC has contributed Rs. 20.00 lakh for construction of a Memorial Park around Martyr's Memorial in Sainik School, Bhubaneswar.

Multi Disciplinary Centre on Safety, Health & Environment Multi Disciplinary Centre on Safety, Health & Environment is a Govt. of Orissa sponsored organisation and is a leading NGO in the State of Orissa, which is working with the objective to generate consciousness and to provide professional expertise among the industrial workers and managers in the field of Safety, Health & Environment, Leadership development etc. OMC has contributed Rs. 25 lakh. for construction of its 1st floor at Bhubaneswar.

Orissa State Sports Academy, Bhubaneswar : OMC has sanctioned Rs. 4.23 crore to Orissa Council of Sports, Cuttack for establishment of State Sports Academy at Kalinga Stadium, Bhubaneswar.

Distribution of Water Pouches during Car Festival at Puri : OMC has provided one lakh drinking water pouches for distribution among the pilgrims during the world famous Car Festival at Puri.

Sponsorship of 4 students and their Guide for visit to NASA : Students of Ispat English Medium School, Rourkela participated in the 22nd NASA Space Settlement Design Contest conducted by NASA-AMES Research Centre, California. Their project "EDEN" bagged the 2nd position in the contest for which they were invited to visit NASA on 20th June'06. OMC has contributed Rs. 5.30 lakhs towards the to & fro trip to USA.

OMC PARTICIPATES IN HANOVER MESSE-2006:

OMC participated in the Govt. of Orissa led delegation to the Hanover Messe-2006 held at Hanover, Germany from 24th – 28th April, 2006 as a co-sponsor of the event. The event assumed significance with India participating as a "Partner Country". The Hanover Messe-2006 is a world renowned industrial and technological fair which helped to showcase the potentials and preparedness of Orissa for attracting international investors to set up downstream and ancillary industries, especially in the Steel, Aluminium and Petro-Chemical sectors where Orissa has already received substantial national and transnational investments.

OMC team was led by the Managing Director, Sri Sanjeev Chopra; Addl. General Manager(Projects), Sri P.K. Bhattacharya and Dy.General Manager(Geo) & (Sales & Marketing), Sri Janardan Mishra. OMC utilised the opportunity to showcase and highlight the rich mineral resource base and its inherent strength for new investment opportunities before the global audience.

SCHOLARSHIP SCHEME MADE MORE FAVOURABLE

The children of OMC employees securing 60% marks under General Category and those securing 50% marks under SC/ST category in the qualifying examination shall be allowed scholarship without any limit from the Academic Session 2005-06.

The Scholarship amount have also been revised from the academic session 2006-07 as under.

Type of Scholarship	Existing Amount	Revised Amount
At Intermediate level (XIth & XIIth Standard)		
a) For students securing marks between 60% & 69.99% in Xth.	Rs. 200.00	Rs. 200.00
b) For students securing 70% and above marks.	Rs. 200.00	Rs. 300.00
At Graduation level for general courses like BA, B.Com, B. Sc., LLB and other courses where Bachelor's degree is awarded.	Rs. 200.00	Rs. 300.00
At Diploma level for professional courses like Engineering/Pharmacology.	Rs. 200.00	Rs. 300.00
At Post Graduate level i.e. MA., M.Com, M. Sc., LLM etc.	Rs. 300.00	Rs. 400.00
Graduate/Post Graduate courses in Medicine, Pharmacology/ Dentistry/Engineering/Architecture/ Management studies/ Agriculture/Veterinary Science.	Rs. 400.00	Rs. 600.00

Special Scholarship on the basis of admission in the following Institutions.

Engineering - All IITs; Management - All IIMs; Medical - AIIMS, New Delhi; PGIMER, Chandigarh; JIPMER, Pondichery.

Best Student Cash Awards :: In addition to a position in the best 20 list in HSC Examination, Toppers in +2, +3 Honours and PG shall be given a Cash Award of Rs.5000/-.

GROUP INSURANCE SCHEME REVISED.

The uniform insurance Benefit under the scheme has been raised from Rs. 62,000/- to Rs. 100,000/- .

OMC-MAITREE NEWS

BOARD OF TRUSTEES MEETING

The Board of Trustees of OMC-Maitree had their 1st meeting on 3rd June'06. The meeting was chaired by Chairman, OMC as the President of the OMC-Maitree. The Board of Trustees approved the proposed agreement between MAITREE & CENDERET for collaboration in implementation of different development projects.

In the mean time, 3 members of repute and social standing have been nominated to the OMC-MAITREE Board of Trustees who have made remarkable contribution in the field of Sports, Humanitarian, Philanthropy and academics namely Padmashree Tulasi Munda, (an eminent social worker); Sri Bipin Bihari Das(an eminent Social Scientist & coordinator of CENDERET); Sri Lazarus Barla(ace-Olympian).

MAITREE – CENDERET JOINT VENTURE

CENDERET (Centre for Development of Research and Training) is the rural development wing of Xavier Institute of Management, Bhubaneswar (XIM-B). Established in 1987, Cenderet has created a niche for itself in implementation of different social developmental projects and is reputed for its professional proficiency. Considering the credentials of CENDERET, OMC-MAITREE decided to enter into a collaborative agreement with CENDERET for assisting it in implementation of different development projects proposed to be taken up in the 14 villages identified in Sukinda Block of Jajpur District.

The project proposals have already been submitted to the Central Committee of Ministry of Finance, Government of India and it is in an advanced stage of consideration. Once approved, the projects will entail concessions under section 35 AC of I.T.Act.

MANAGING COMMITTEE MEETING

The Managing Committee of OMC-MAITREE had its inaugural meeting on 27th May'06. The meeting was presided over by MD. It was resolved that OMC-MAITREE will seek concession under Rule-35AC of the Income Tax Act and accordingly, project proposals shall be sent to the Central Committee of Ministry of Finance, Government of India.

The 2nd meeting of the Managing Committee was held on 11.7.06 wherein it was decided to strengthen the Regional Committees for peripheral development programmes and to fund the education of the top 10 SC & ST students of Keonjhar, Sundergarh and Jajpur Districts for undertaking technical education.

A Note from the Editor....

Once upon a time, there was a software engineer who used to develop programs on his Pentium machine, sitting under a tree on the banks of a river. He used to earn his bread by selling those programs in the Sunday market.

One day, while he was working, his machine tumbled off the table and fell in the river. Encouraged by the Panchatantra story of his childhood (the woodcutter and the axe), he started praying to the River Goddess. The River Goddess wanted to test him and so appeared only after one month of rigorous prayers.

The engineer told her that he had lost his computer in the river. As usual, the Goddess wanted to test his honesty.

She showed him a 'match box' and asked, "Is this your computer..?". Disappointed by the Goddess' lack of computer awareness, the engineer replied, "No".

She next showed him a pocket-sized 'calculator' and asked if that was his. Annoyed, the engineer said "No, not at all!"

Finally, she came up with his own Pentium machine and asked if it was his. The engineer, left with no option, sighed and said "Yes." The River Goddess was happy with his honesty.

She was about to give him all three items, but before she could make the offer, the engineer asked her, "Don't you know that you're supposed to show me some better computers before bringing up my own?"

The River Goddess, angered at this, replied, "I know that, you stupid donkey! The first two things I showed you were the Trillennium and the Billennium, the latest computers from IBM!". So saying, she disappeared with the Pentium!!

Moral of the Story. If we are not up-to-date in technology trends, we are sure to be caught in the wrong foot.

ERP(SAP) implementation has thrown upon all of us to new technology trends and in order that we can come to grips with the changing times and the fast changing technology, we need to update ourselves about the new technological know how. After all, we can't but learn, unlearn and relearn!
